Furniture That "Glidders"

"All that glidders is not gold," says Mr. Dinkelspiel, "but if it does glider, you can bet it ain't mud."

You can apply Mr. Dinkelspiel's logic to furniture. You can't always be sure that a beautiful table or chair with good lines or careful finish is everything it pretends to be.

But you can be sure that it won't jar your nerves every time you come into the room.

And the man who can be trusted to put good lines into furniture can generally be trusted as to materials.

Every article in this entire store is guaranteed as to materials—and the designs can be trusted.

Avoid "Fly Time" Linoleum

"Women demand cheap linoleum," said a manufacturer, "so we make it."

"The boys call it 'fly-time' linoleum because most women put it down about the time the flies appear—and it's worn out before they go."

"The only material that will make real linoleum that lasts, is cork and oil. The process cannot be cheapened. When people insist on cheaper grades they cheat themselves."

Good linoleum will last years.

And it costs only a little more than the 'fly-time' variety.

Now is the time to put down good linoleum. It protects the floors and makes them sanitary.

For bath, kitchen, porch, and (imitation wood) for libraries, offices, dining-rooms and living rooms.

Wonderful Style and Comfort in the New LASTIKOPS CORSETS

Nemo Week

Nemo Corsets were originally made for stout people. It's different to-day, they are made for slim ladies as well as the stout. In fact one of our best sellers is our slim model in Nemo Corsets.

Nemo Corsets appeal to a better class of trade than a cheap corset. They are always economical over any of the cheaper grade. They keep their shape and as a lady remarked but a few days ago at our corset department, that the Nemo Corset was so much better than others that she had had that she was very glad to recommend them.

Nemo Corsets are so made that it won't take you two minutes to see why they are better than other kinds.

It's a pleasure to us to sell any kind of goods with so very many advantages as the Nemo Corset has.

Nemo Corsets shown in our window all of Nemo week. \$3.00 is putting money into your apparel, where it belongs.

Our garment department should interest you. If we ever have been in the garment business, and been in it right, it's this season. Plenty of light, a modern workroom and a disposition to treat everyone with consideration.
